

FIFTH STREET EXTENSION  
TO BE ACTED ON TONIGHT

Improvements Are Desired in the Water Supply for Residents North of Pine Street—Definite Action Will Be Taken at the Meeting of Council Tonight.

The Red Jacket village council will hold a special meeting this evening for the purpose of considering the petition which was received at the last regular meeting, asking that Fifth street be extended north, beyond Pine to Spruce street, the northern boundary of the town. It is possible that the council will take favorable action. Residents in the district affected, make application for the extension so that they may secure a supply of lake and dam water. During recent years, a number of warehouses and other business blocks have been erected in this vicinity, as well as residence buildings and no water extension has been provided.

The proposed extension is about 100 yards long, and to provide for a street, 50 feet in width, it would be necessary to condemn the property in the right of way. This property is owned by Thomas Anderson. If favorable action is taken on the project a committee will probably be named to acquire the property. It is claimed that Mr. Anderson secured possession of the property by squatters' rights, but this does not alter the situation. The village is in fairly good financial condition to undertake the improvement if it is deemed advisable. There is about \$20,000 on deposit in the local banks to the town's credit. However, the intensity of the season will probably prevent the accomplishment of any definite work this year, even if the petition is favorably received.

## MOHAWK HUNTERS READY.

Busy Season is Anticipated By the Deer Hunters of Mohawk.

Extensive preparations are being made by the deer hunters of Mohawk for the opening of the season Wednesday. Woe to the deer so thoughtless as to stand in the path of the craftsman when he mingles forth on that morning. Some of the more progressive hunters have spent leisure time for the past few weeks in building camps. Upwards of 100 licenses have been issued to local sportsmen. This number will undoubtedly be greatly increased as the open season draws near. Deer have been reported quite plentiful this year, and plenty of venison is anticipated by followers of the sport.

Two Parties at Mohawk. Mohawk is to have two dancing parties in the near future which promise to rank among the leading social events of the year. The first will be given next Saturday, November 11, by the recently organized shore club hockey team to be followed one week later, November 20, by a party under the auspices of the Wanderers hockey team. Both events will be held in the Finnish hall and music will be furnished by Veeber's orchestra. An unusual sale of tickets is reported by

UNITED WIRELESS WILL  
COMPLETE NEW STATIONS

The United Wireless Telegraph company expects to erect stations at Port Arthur, Grand Marais, Minn., Marquette and Isle Royale before winter arrives. The installation of these stations, will complete the chain of Great Lakes stations already installed. Others having been established at Chicago, Duluth, Sault Ste. Marie, Mackinac and Alpena. Their completion will prove a big boon to mariners, making it possible for any boat on the Great Lakes equipped with wireless instruments to communicate with the land at any time.

Copper country residents are waiting anxiously for the completion of the Isle Royale station, which will prove a big convenience to those who spend their summer vacation at this resort. It is the intention of the company to improve the station at the Soo so that it will be more powerful. Two 140 foot towers will be erected for the antennas, replacing the present station located on the top of the Soo hill, which was constructed for temporary purposes.

## TAMARACK NEWS NOTES.

The first quarterly examination is being held in the public schools of Tamarack.

Ernest Morris, captain of the Tamarack cricket team, is compelled to be off duty for a few weeks because of an injured arm.

On Saturday evening, Nov. 13, the Tamarack band will give a band concert at the Tamarack M. E. church under the auspices of the Sunday school. The proceeds will be used to purchase Christmas books and candy for the pupils in accordance with the usual custom.

William Chapman has accepted a position as time keeper at No. 2 branch of the Tamarack mine, filling the vacancy caused by the promotion of Joseph Amos to surface foreman.

Another case of small pox has been discovered at Tamarack and the patient has been removed to the detention hospital.

William Fournier has accepted a position as driver at the Tamarack No. 2 engine house.

The family of James Simmonds left Tamarack last week for Globe, Ariz., to join Mr. Simmonds who has been located at Globe for some time past.

George Ellis has been confined to his bed for the past two weeks, with an attack of typhoid fever.

Miss Effie King and Mrs. Norman MacDonald are home from Chicago. Mr. MacDonald has gone to Sacramento, Cal., where he will spend some time. Councilman James McClure is home from Chicago and other cities, where he has been spending the past two weeks. Mr. McClure has secured the agency for the Mitchell auto, and will install a garage of open on his property on Seventh street.

The Wanderers which will insure a large attendance. A committee has been appointed to make the arrangements, which will include decorating the hall.

EDUCATIONAL CONVENTION  
IN CALUMET THIS MONTH

Eminent Methodist Church Workers Will Conduct Three Day's Religious Institute in Calumet in Interests of Albion College—Splendid Program is Prepared.

Considerable interest is manifested in the educational institute which is to be conducted at the Calumet M. E. church on November 26, 27 and 28, under the auspices and for the benefit of Albion college. A splendid program has been prepared for the meetings in this city and some of the leading religious educators of the times, including Bishop Moore, will appear on the program.

Friday, November 26.

There will be an informal reception to Bishop Moore on Friday evening in the parlors of the First Church, Calumet, from 5.30 to 6.30, followed by a banquet with program of toasts and music which will be especially announced later. A cordial invitation is extended to all of the pastors and laymen of the Houghton District to be present at the reception and banquet.

Saturday, November 27.

8.15 a.m.—An hour with Dr. Day on Ministerial Qualification and Effectiveness.

9.15 a.m.—Purpose of this Convention. D. D. Martin.

9.30 a.m.—Is the Christian College a Necessity? H. C. Shaw.

9.50 a.m.—A concise statement of the condition and needs of Albion College. President Samuel Dickie.

10.00 a.m.—Address, The Responsibility of the Church in the Education of the Youth. President Samuel Dickie.

10.45 a.m.—How to Interest our Laymen in the support of the College. W. M. Ward.

11.10 a.m.—Question box and discussion led by President Dickie.

11.30 a.m.—A half hour with Bishop Moore on the Christian College.

1.30 p.m.—The Semi-Centennial Campaign. F. E. Day.

2.30 p.m.—Address, Albion College and Michigan Methodism. President Dickie.

2.45 p.m.—How to bring the Individual Church and College in close touch. A. E. Sutcliffe.

3.25 p.m.—Needed Modifications in Church Colleges. President Dickie.

4.00 p.m.—Closing Address, Bishop Moore.

5.00 p.m.—There will be an Educational Platform meeting or a Temperance Mass meeting addressed by Dr. Dickie and others.

Sunday, November 28.

10.30 a.m.—Houghton, Grace Church, Bishop Moore; Ishpeming, Frank E. Day; Lake Linden, President Plantz; Laurium, President Dickie.

7.00 p.m.—Calumet, Bishop Moore; Marquette, Frank E. Day; Hancock, President Plantz; Escanaba, President Dickie.

There will be other speakers to fill the pulpits in the other churches on Sunday, November 28, for which special announcements will be made in time.

COMBATING CONTAGION  
CAUSES HEAVY EXPENSE

Calumet township's board of health account will be heavy this year, owing to the number of cases of contagious diseases prevalent in the township during the past seven months of the fiscal year. The total last year for anti-toxin and disinfectants amounted to \$583, while this year, with only seven months of the fiscal year gone, the total amount spent is approximately \$800. As there remains five months of the fiscal year it is expected that the total expenditures will reach \$1,000, or almost double the amount expended last year. There has been considerable typhoid, small pox, scarlet fever and other contagious diseases in Calumet township during the past few months calling for a heavy expenditure. For a township as large as Calumet it is said that the money expended is not excessive.

## LAURIUM

SPORTSMEN'S CLUBS TO HELP  
GAME WARDEN IN HIS WORK

Close Tab Will Be Kept by Game Warden Gipp and Assistants This Season—Members of Clubs Will Help Enforcement of Law by Furnishing Information of Violations.

A number of Laurium hunters will take to the woods this week. The deer season opens on Wednesday, and judging from the number of licenses issued to Lauriumites through Justice David Armit, this village will send its full quota of hunters.

There are two features of the new game and fish laws many hunters are not familiar with. One is that the finding by a game warden of a dog in the woods with a hunter or in a hunting camp or club house, will be prima facie evidence of an intention to violate the law. Any hunter is privileged to kill a dog found running deer. The possession of lights, either on the person or in camp, will also be considered evidence of a law violation.

Deputy Game Warden John Gipp and the other deputies in the copper country will put in a busy three weeks, the length of time deer hunting is permitted, in patrolling the woods, looking out for violators. In this they will be assisted by the several sportsmen's clubs in this section.

The members of these clubs are organizing for the purpose of stamping out violations, and any violators of the game laws will have their names turned over to the officers, so that prosecutions may follow.

This is considered an excellent move on the part of the several gun clubs, and is sure to receive the hearty support of the general public. The officers cannot cover the whole territory systematically and thoroughly. Hence the desire on part of legitimate hunters to assist them.

## SYRIANS IN NEED OF AID.

Thousands in Cilicia, Europe, Are Without Necessities of Life.

Thousands of women and children in Cilicia, Europe, are without the necessities of life and unless aid comes hundreds will starve.

The American Red Cross society has received a letter from the U. S. consular-general at Beirut, Syria, explaining conditions. An extract of the letter follows:

Your committee has received an urgent telegraphic appeal from Dr. Lee, an American, at Marash, asking for \$1,000, of which \$450 was needed at once.

On the previous day we had shipped about \$1,000 worth of winter jackets for the women and girls of Kesab, besides blankets, and our cash balance was at a low ebb. A week ago we rather stripped ourselves by furnishing \$2,200 worth of supplies to Alexandretta (for Doryol, Bellan, etc.) For the time being receipts had ceased to come in, and the future looked gloomy when a telegram arrived authorizing me to draw at sight for \$500 contributed by the American Red Cross.

The American minister at Constantinople sent the following cablegram: Secretary of State, Washington:

With the approach of winter fully 60,000 women and children in Cilicia, whose husbands and fathers were massacred in April, sorely in need of shelter and the necessities of life. Funds exhausted. Appeal urgent. Kindly make public. Strauss.

## REGULAR FALL MEETING.

The regular fall meeting of the Copper Country Ministerial association will be held at the residence of Rev. J. A. Ten Broeck, Third and Ironquels streets, Laurium, this afternoon. The election of officers and the transaction of other business will come before the meeting. Rev. W. E. Marvin will read a paper on "A Minister's Message to Christians," and the discussion will be led by Rev. M. Rufsvold.

Derrick Hubert, a prominent architect, of Menominee, has been spending a few days with Maas Bros., of Laurium.

EVANGELIST WILL TALK  
ON POPULAR QUESTIONS

The series of religious meetings conducted by Hart and MacGinn at the Calumet M. E. church are assuming large proportions. Over a dozen penitents asked for prayers at the meeting last evening and others professed conversion. The meetings this week will undoubtedly be even more fruitful.

The church was packed with eager listeners as Mr. Hart discussed the subject, "Shame." The text was taken from Gen. 3-9. "Where art thou?"

"Of all shame," said Mr. Hart, "I think the religious shame is the worst. When I see men going down the street on Sunday morning with bibs under their arms, whom I know are accustomed to indulge in their social glass and have card parties in their homes where prizes are offered, I think of the shame some people are practicing."

"There are some mothers here in Calumet, who do not know where their precious boys are tonight. They allow them to go their way, no matter where it leads. What the world needs is a race of praying fathers and mothers who will watch their sons and daughters to keep them from going the downward road."

"The question, Where Art Thou? is one of infinite love and pity for the poor sinner who is wandering out from the protecting arm of the Lord."

Added interest was given to the meeting last evening by the singing of a quartette composed of Mrs. Harry Harper, Mrs. Richard Jory, Prof. D. R. McGrew and Joseph Bennett, also a solo by Mrs. Chas. Thomas.

The special services will continue each afternoon and evening throughout the week. Special subjects announced for the week are: Wednesday evening, "Hell"; Thursday evening, "The Dance, the Cards and the Theater"; and Friday evening, "The Unanswerable Question." The meetings are public and a cordial invitation is extended to all to attend.

## NEW ROAD TO ONTONAGON.

Eastern Capitalists Will Build Railroad About 70 Miles Long.

Articles of incorporation have been filed with the secretary of state in Madison incorporating the Montreal Valley Railway company for the purpose of constructing a railroad from Myers, a station four miles east of Saxon, on the South Shore, to Ontonagon, Mich. The length of the new road will be about 70 miles, 4 1/2 miles of which are in Iron county, Wis. The corporation is capitalized at \$100,000 and the incorporators are: Merin A. Myers, of Buffalo, N. Y.; David H. Jack and Harry M. Jack of Bradford, Pa.; and Thos. E. Lyons and Wm. B. Perry of Superior. These men are interested in the Montreal River Lumber company, which has a sawmill several miles from Myers on the Montreal river.—Hurley Miner.

## LAURIUM GRIEVITIES.

The funeral of the infant son of Mr. and Mrs. Matt Rosman of Osceola street, was held yesterday afternoon, with services at St. Joseph's church. Fred W. Corbett gave a very interesting lecture on prohibition at the old Baptist church on Hecla street, Laurium, Saturday evening.

The funeral of the late John Sloan took place this morning with services at the Sacred Heart church and interment in Lake View.

Mr. and Mrs. L. N. Raabe, of Wilmet, S. D., have returned home after spending a few days at the Norborn residence.

Mrs. W. J. Galbrith is home from Hudson, Ill., where she spent the past two weeks.

Charles Wills, of Laurium, has gone to Marquette on a short visit.

## MANUFACTURERS' SCHEDULE.

Adoption of the Form to Be Used for Thirteenth Census. Washington, D. C., Nov. 8.—The general schedule which will be used in the Federal census of manufacturers for the calendar year 1909 has been formulated and about 700,000 printed copies have been ordered by census director E. Dana Durand. The schedule is in the form of a four-page folder, about 9 x 11 1/2 inches

It's Easy  
to Get Style

You can get it in most any kind of a suit—even the cheapest

The question is: How long will it last?

Pure wool is the best wearing fabric and the only one that will hold style and shape as long as the garment lasts.

All the style and smart appearance you see and buy in Clothcraft All-Wool Clothes are

retained until the garment is worn out. The guarantee makes you sure of this. No other line in America at \$10 to \$25 will give you such a guarantee.

## WANTED.

WANTED—Boarders and mealers, 231 Hecla st., Laurium.

In size. It is smaller and simpler than the ones upon which the 1900 and 1905 census of manufacturers were taken. It has less than half as many and greater accuracy in the collection spaces for entries as the earlier ones and seems likely to insure less labor of the manufacturer's data.

There are in the general schedule thirteen principal questions with their subdivisions. This is the same number as in the general schedule for 1905. There are, however, important differences between the two schedules. These comprise, in the 1909 schedule, the new questions authorized by congress; the elimination of former queries to which it is impossible to obtain approximately accurate replies; and also the simplification of others by their separation or combination in other forms.

One of the subdivisions of the question relating to power employed for manufacturing purposes calls for the name of the stream or lake from which water is obtained to generate power, whether direct or electric. This information will be valuable in a census of the country's water power plants and operations in case congress provides for it later.

The thirteen principal questions are, briefly: first, a description of the establishment; second, time in operation and hours worked; third, capital invested; fourth, salaried employees; fifth, wage earners, including piece workers, on the pay roll December 15, 1909; sixth, wage earners, including piece workers, employed on the 15th day of each month; seventh, salary and wage payments; eighth, materials, mill supplies and fuel; ninth, miscellaneous expenses; tenth, products; eleventh, power; twelfth, fuel; thirteenth, remarks.
